December 2021

Dear Parent/Guardian,

For the month of December, we have been discussing the word **Empathy** and exploring ways to see different perspectives by reading the book “Hey Little Ant” by Phillip Hoose. We discussed what it means to “walk in someone else's shoes”, ways to show empathy to others and identified how we would want others to treat us with actions and words.

Follow up questions you can ask to help continue to discuss this concept include:

*What does Empathy mean?*

*How can I show Empathy to others?*

Please review these questions with your child and I thank you for your help and support in reinforcing this powerful mindset!

Happy Holidays!
