December 202

Dear Parent/Guardian,

For the month of December, we have been discussing the word **Empathy** and the importance of seeing things from the perspectives of others. Students discussed the concept of “walking in someone else's' shoes” by creating their own shoe that represented their unique self.

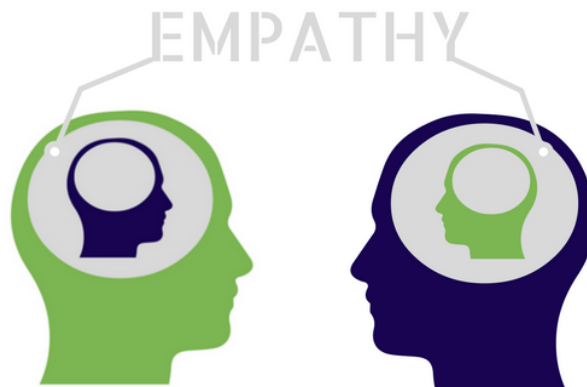

Follow up questions you can ask to help continue to discuss this concept include:

*What is Empathy?*

*What is the difference between Empathy and Sympathy?*

*How can I practice being more empathetic?*

Please review this question with your child and I thank you for your help and support in reinforcing this powerful mindset!

Happy Holidays!
