December 2021

Dear Parent/Guardian,

For the month of December, we have been discussing the word **Empathy** and exploring ways to see different perspectives by reading the book “Hey Little Ant” by Phillip Hoose. We discussed what it means to “walk in someone else's shoes” and worked on making our own pair of shoes that reflect our unique selves. Follow up questions you can ask to help continue to discuss this concept include:

What does it mean to “Walk in someone else's shoes?”

How can you tell how I am feeling inside?

Please review these questions with your child and I thank you for your help and support in reinforcing this powerful mindset!

Happy Holidays!
