### **Ensuring Continuity of Educational Services**

Students who must quarantine or isolate for COVID-19 related reasons will receive remote instruction aligned to in-person teaching and learning to the greatest extent possible. The district has provided Chromebooks to all students and will continue to assess technology and connectivity needs.

The plan is as follows:

- Classroom assignments and activities will be posted to Google Classroom.
- Those students who must isolate or quarantine due to an in-school COVID-19 related matter will receive a Google Meet link from their teacher(s) within one school day. The teacher(s) will provide direct/teacher-led instruction through Google Meet as necessary. The teacher will periodically check in with students throughout other portions of the lesson(s) accordingly.
- The parents/guardians of students who must isolate or quarantine due to an out-of-school COVID-19 related matter must contact the school's main office with their request for remote instruction. Upon review and approval of documentation (i.e. doctor's note or test results), the student will receive a Google Meet link within one school day. The teacher(s) will provide teacher-led instruction through Google Meet as necessary. The teacher will periodically check in with students throughout other portions of the

lesson(s) accordingly.

- If a classroom, school, or district needs to move to a complete remote learning environment, the students will follow the regular school schedule (see below), all students will receive a Google Meet link on the first morning of the remote session. Expectations for remote learning will be provided by the district and distributed to students via the classroom teacher.

Beach Haven Borough School District  
Eighth Street & Beach Avenue  
Beach Haven, NJ 08008

Dear Dr. Meyrick:

My office has reviewed the Beach Haven Borough School District plan for virtual or remote instruction for the 2021-22 school year. In the event that your Local Educational Agency (LEA) must close for more than three consecutive days due to a declared state of emergency, declared public health emergency, or a directive by the appropriate health agency or officer to institute a public health-related closure, you may use virtual or remote instruction to satisfy the 180-day requirement pursuant to N.J.S.A. 18A:7F-9.

You must post the approved plan on your LEA website. If your LEA makes revisions to this plan, please resubmit the plan to this office accompanied by the board approval and another attestation, which can be found at [Emergency Virtual or Remote Instruction Programs \(nj.gov\)](http://www.nj.gov/education/emergency-virtual-or-remote-instruction-programs).

Thank you and I hope you have a successful 2021-22 school year.

Sincerely,

A handwritten signature in cursive script that reads "Charles Muller".
