The **BEACH HAVEN BREAKER**

Beach Haven is committed to
“promising every student a future!”

HAPPY DECEMBER!

We sincerely hope everyone had a nice Thanksgiving Holiday. November was another busy month filled with a lot of days off. With that said, our month was gone in a blink of an eye!

At the beginning of the month, our Beach Haven Staff was charged with the task of meeting with every parent/guardian during our conference dates. Not only did they rise to the challenge, our parents did as well. We had 95% in-person participation!

Additionally, our 6th Grade students approached Mrs. Bresley with an idea of giving back to our community. I personally assigned them with the task of creating an event that brings the community together while serving others. To my understanding, this service project will be the first of its kind at Beach Haven as we look to make this an annual 6th Grade tradition. I'm excited to see what transpires!

Educational Focus

The Winter Break is a few weeks away and while students will be away from the classroom, it doesn't mean children need to stop learning.

Take the opportunity to “Cook up a Lesson.” Whether it is preparing a meal or making cookies, so much learning can take place in the kitchen. These types of “lessons” will improve and reinforce our students’ reading, writing, math, science, communication, fine motor, and life skills! Please email me your pictures!

One bench = 250 pounds of caps!

A Buddy Bench is a way to ensure that every child has a playmate. It is a simple way child can connect with one another during recess.

To date, we have collected

116 pounds!
