The **BEACH HAVEN BREAKER**

Beach Haven is committed to
“promising every student a future!”

January has come and went in a blink of an eye. Mrs. Wiehr and a selected group of students participated in the rejuvenated Beach Haven Government Day. Students gathered information and were able to get a behind-the-scenes tour of how our local government works. A big thank you goes out to Chief Markoski for his coordination! We had our first snowstorm as Mrs. Konsig’s class integrated snow-themed educational activities throughout her classroom, culminating in the “Best of Snow.” The month continued with Mrs. Deakyne hosting Mystery Weekly Readers! Former Southern Regional Graduate and current Miami Dolphin football player, Mike Gesicki, stopped by for a visit. Gesicki encouraged our students to follow their dreams while reminding them there’s no telling what they are capable of accomplishing! To close out the month, our Second and Third Grade students visited TD Bank and while getting a tour of the bank, they participated in a currency and finance mini lesson.

To quote an African proverb, ‘It takes a village to raise a child.’ This could not be any more true of the Beach Haven and LBI Communities!

February is the
month of
Kindness

Educational Focus

Studies show that children who are more active exhibit better focus, faster cognitive processing, and more successful memory retention than kids who spend the day still. Keeping the body active promotes mental clarity by increasing blood flow to the brain, making it vital to learning, physical, and neurological health.

Over the past few months, we collectively worked together to prepare for our QSAC visit. In doing so, we took the opportunity to update our curriculum. We wanted to ensure we were in state-compliance, more importantly, we wanted to create a resource for students, staff, and parents.
