

January 2020

The **BEACH HAVEN BREAKER**

Beach Haven is committed to
“promising every student a future!”

December was another busy month at the Beach Haven School. Our 6th grade class headed to NYC for their Annual Broadway Trip, followed by our 3rd grade class walking to the Maritime Museum, and our 1st and 2nd graders going to Adventure Aquarium. Our school-wide Polar Express Day and the annual Music Concert strengthened our co-curricular commitments.

The month concluded with our students thinking they were just completing our monthly fire drill. Ultimately, Fantasy Island surprised our students and faculty with breakfast, unlimited game play, and visit from Santa. **I can honestly say this was an amazing community event!**

As mentioned in December’s newsletter, our 6th grade class approached Mrs. Bresley with an idea of giving back to our community. This past month, the 6th graders held a Pet Supply Drive and collected 75 donatable items. These items will be donated to Ocean County Animal Shelter. **Well done!**

I look forward to highlighting our January events in the next month’s newsletter!

January is the
month of
Dedication

Educational Focus

At the end of January, the Department of Education will be visiting Beach Haven. Their goal is to ensure Beach Haven is providing a thorough and efficient education for all students! **Echoing a similar message to our building’s commitment!**

Additional information will be shared through subsequent newsletters and Board of Education meetings.

Upcoming Events

1/20-M.L. King Day- School Closed

1/31-End of the 2nd Marking Period

A Buddy Bench is a way to ensure that every child has a playmate. It is a simple way a child can connect with one another during recess.

Before our Holiday Break,
we have collected

242 pounds!

Look for this monthly publication in your child’s folder, webpage, and Facebook page!
