

October 2019

# The **BEACH HAVEN BREAKER**

## HAPPY FALL

Happy Fall, Beach Haven!

We had a great opening month of school! This past month, I had the opportunity to meet with our building committees. Our committees have been purposefully created and charged with the tasks of promoting excellence, improving the safety and security of our building, and ensuring we are doing everything we can for our students!

A sneak peek for some of the upcoming events will include Week of Respect, "Wellness Wednesdays", and Reading Across America Spirit Week. *All done with the goal of developing and improving the total student!*

New Jersey mandates October as the month of Respect and we will strengthen the state's focus. Our guidance counselor will meet with our students, the message will be supported by our building staff, encouraged throughout the day, and will culminate with an end of month Unity Day for students and staff.

We are committed to "promising every student a future!"

October is the month of

**RESPECT!**

### Educational Focus

On October 3<sup>rd</sup>, our professional development coach will be back to complete classroom walkthroughs, meet with individual teachers, and set individual specific goals.

**Professional Development that embraces coaching improves effectiveness up to 90%!**

### NJSLA Scores Released

The NJSLA is just one of the several measures including report card grades, classroom performance, and teacher feedback that when combined give you a more complete picture of your child's academic progress. As a parent, you are one of the most integral people in your child's academic success. Results from the state assessment provide you with valuable information about your child's academic strengths and weaknesses that can be used to help you advocate for your child's academic needs at school and better support your child at home.

Look for this monthly publication in your child's folder, webpage, and Facebook page!
