

April 2021

The **BEACH HAVEN BREAKER**

April is the
month of
COURAGE!

Day #129 (and counting), Beach Haven!

This past month, our **School Climate Committee** planned an eventful Read Across America Week that included themed dress-up days, virtual guest readers, and culminated with a reading challenge. Our school **read 15,720 minutes in just 1 week!** A BIG thank you to our PTA, Woo Hoo, Bubbakoo's Burritos, Wawa, and Shut Up and Eat for your donations.

Additionally, our 2nd Trimester Conferences were held and **we had another 100% parent participation! Well done, families and staff!**

Finally, the Beach Haven School will be closed next week. Please remain vigilant but sensible in your approach to dealing with this pandemic. **In the event you need to travel, please contact the main office to discuss the specific details of your upcoming trip.**

We NEED YOU to help us stay open!

Continuing to promise every student a future!

Educational Focus

In my educational experience, breaks typically arrive at the moments when we need them the most. This is even more evident THIS SCHOOL YEAR. As we are approaching our Spring Break, I look forward to some time to relax and renew my energy before we make the final push.

In previous years, I would provide focuses or encouragement to set an individual goal.

NOT THIS YEAR... I encourage all our students, families, and staff to use this break for some "ME" time. Please spend this time focusing on yourself and doing things you want to do (*if this is okayed by the adults in your house-LOL!*)

All I ask is for you to email your pictures to me with a little caption of your "ME" time. All photos will be shared on our school's Facebook page and maybe you will make May's Newsletter 😊.
