

April 2022

The **BEACH HAVEN BREAKER**

April is the month
of Courage!

Educational Focus

The **School Performance Reports** reflect the New Jersey Department of Education's (NJDOE) commitment to providing parents, students, and school communities with a large variety of information about each school district. These reports can be used as a tool to help evaluate whether all students have equitable access to high quality education.

The ongoing COVID-19 pandemic has had a significant impact on the way the NJDOE was able to measure school performance and student achievement in the 2019-2020 School Performance Reports.

Furthermore, the NJDOE recognizes that our existing data can't begin to measure the hard work and perseverance of the students, families, educators, and community members during this difficult year.

We encourage you to use our report to learn more about our district. All district reports will be released to the public on Wednesday, April 4th.

Access <https://www.nj.gov/education/> to view our report.

Happy April, Beach Haven Families!

This past month, our **School Climate Committee** planned an eventful Read Across America Week that included themed dress-up days, 6th grade guest readers, and culminated with a reading challenge and a BIG SPLASH. Two to be exact! Our school **read 18,328 minutes in just 1 week!** Our total exceeded last year's logged minutes by 2,608!

We hosted our 2nd Trimester Conferences and are happy to be reported we had 100% family participation! Well done, families and staff! As I previously mentioned, **it truly takes a community to educate a child!**

Our **6th Grade Community Outreach** completed another service project as they solicited hair care products for Families in Southern Ocean County.

Finally, **Mr. Elmo** organized a music celebration that encouraged our school to raise awareness of the importance of music education for all children. The month-long celebration concluded with a music inspired spirit week.

Here's to another successful month!
