The **BEACH HAVEN BREAKER**

March
is the month of
INTEGRITY!

Educational Focus

Yesterday, we kicked off Read Across America Spirit Week. The genesis of NEA's Read Across America began in 1997 with the goal to encourage children to read more books while getting them excited to read. Even though we host an annual spirit week in March, it's important to continue to read throughout the year.

By the numbers, an analysis of more than 9.9 million students found that only those students who read 15 minutes or more per day made accelerated reading gains. Students who had less than 15 minutes of daily engaged reading time saw below-average reading gains, putting them at risk of falling behind their peers.

Happy March!

This past month, our school focused on spreading kindness throughout the school and community. As you may have noticed, our 1st graders shared inspirational shells around the community. However, our other class echoed similar messages throughout the building. Our kindergartners "rained" on their classmates with positive traits and thoughts. Our 3rd graders sewed some hearts for a local nursing home. Finally, our 5th graders have made their rounds to the classrooms and offices for their morning high fives! The kindness is contagious!

This year, we took a different approach to our 100th-day celebration. We held an 80's party to celebrate the 80 days left of the school year. The students and staff did an amazing job!

Here's to another successful month! As always, please reach out to me with any questions and/or concerns.

Continue to promise every student a future!
