# The **BEACH HAVEN BREAKER**

May is the  
month of  
Self-Care

Happy May!

This past month, we had the opportunity to have some days off. Hopefully you and your child/children were able to enjoy some "ME" time. I'm sure everyone would agree that this was much **NEEDED!**

This April, our **Let's Move and Mindfulness Committee** hosted our first Workout Wednesday, Tuesday edition, Mr. **Robert Barrett** gave the students the opportunity for some additional physical education time while **Mr. and Mrs. Baxter** treated the students to Kale Chips! **Mrs. Deb Harkness**, in conjunction with ALO, organized a beach cleanup for Earth Day. Additionally, **Mrs. Jill Falletta** orchestrated a Phantic About Reading Assembly with the Philadelphia Phillies. The students' excitement was enhanced with a "swag bag" donation from **Mr. and Mrs. Fields!**

The end of the year is fast approaching. Currently, we are in the process of planning some end of the year activities. Please continue to assist us by remaining vigilant and sensible in your approach to dealing with the pandemic. **Let's finish this year off how we started it-STRONG!**

**Continuing to promise every student a future!**

**We are now accepting registrations for Pre-K and Kindergarten students for the 2021-2022 school year.**

## **Educational Focus**

The School Performance Reports annually reflects the New Jersey Department of Education's commitment to providing parents, students and school communities with a large variety of information about each school and district. These reports can be used as a tool to help evaluate whether all students have equitable access to high quality education.

I encourage you to review these reports to learn more, start conversations, and engage on how we can continually improve our students' and district's performance. While standardized assessments were waived the previous school year, please continue to utilize your child's report card, running records, summative assessments, and your child's teacher to provide a richer picture of your child's current academic levels.

The entire report can be found at <https://rc.doe.state.nj.us/selectreport/29/0230/020>
