

October 2020

The **BEACH HAVEN BREAKER**

October is the month of

RESPECT!

Educational Focus

This past month, our teachers have been assessing our students on their individual reading levels. Whether your child is above, near, at, or below grade level, it is never too late to strengthen their literacy skills!

Strong literacy skills matter both inside and outside of the classroom and can help set children up for success throughout their lifetimes regardless of their grade level.

Children will have

- Sharpened focus
- Improved vocabulary
- Increased comprehension
- Strengthened listening skills
- Intrigued young minds

Continue to read aloud to your child!!

Happy Fall, Beach Haven!

We had a great opening month of school! This past month, we had the opportunity to meet with our voluntary building committees. Our committees have been decisively created and charged with the task of promoting excellence, improving the safety and security of our building, and ensuring we are doing everything we can for our students while being mindful of the current pandemic!

New Jersey mandates October as the month of Respect and we will reinforce the state's focus. Our guidance counselor will meet with our students, the message will be supported by our building staff, encouraged throughout the day, and will culminate with an end of month activity for our students and staff.

Please reach out to me with any questions, comments, or concerns you may have throughout the year. My email is cmeyrick@beachhavenschool.com.

Continuing to promise every student a future!
