Dear Students and Families,

**Beach Haven will be the model school in the county and state!** We are excited to affirm that Beach Haven School District plans to move forward with a full day school schedule in September. We are thankful for our collective efforts throughout the month of July. This feat has and continues to be a large under taking, however, **we are confident in the procedures and additional precautions we have in place.**

With that said, please complete this survey by **Thursday, August 6<sup>th</sup>**. **Click here!** As we look at macro view, **we would like to highlight the key details that Beach Haven School has to offer.** Furthermore, our specifics are aligned with the Department of Education and/or Department of Health mandates and/or recommendation.

- *Daily student and staff health screenings*
- *Designated classroom drop-off locations and stairwells*
- *Facemasks and shields will be provided for all students and staff*
