

Beach Haven School Child Find Notice

If you are a resident of Beach Haven and are the parent of a child between the ages of 3-14 who may have an educational, physical, mental, or emotional disability, the Beach Haven Child Study Team can help. Special programs and professional guidance to assist children are offered free of charge through your local school district.

If you have any questions or concerns, please call the Child Study Team at 609-597-9481 ext. 4256

Project CHILD FIND develops and distributes information to the public about early intervention services and special education programs throughout New Jersey.

Information through Project CHILD FIND may be obtained by calling the toll-free number, 1-800-322-8174, which is in service 7 days a week, 24-hours a day. All calls received are confidential. New Jersey's Early Intervention System (NJEIS) provides services for children ages birth until the child's third birthday who have developmental delays or disabilities, as well as provide support for families. Information about NJEIS can be found here: [NJEIS](#) or by contacting (888) 653-4463.
