“Promising every student a future!”

October 9, 2020

Dear Students and Families,

I can honestly say that we have had a very successful September. As we continue to navigate through these uncharted waters, I want to ensure we are continuing to make informed and sensible decisions. **These individual decisions we make will ultimately lead to our ability to remain open for full in-person instruction!**

Next month, we are scheduled for our Fall Break. Our break is scheduled from November 2nd till November 6th and we will reopen on Monday, November 9th.

With that being said, please be cognizant of the travel advisory list ([click here](#)).

If you travel to an area of high community transmission, please note that the State of New Jersey’s incoming travel advisory recommends that you quarantine for 14 days. Please consult with a physician regarding your compliance with this recommendation.

Please help us remain in-person for our children! If you have specific questions and/or concerns, please contact me at CMeyrick@BeachHavenSchool.com.

Continue to Stay Safe and Healthy,
Dr. Meyrick
